**Re: Notification of Subscriber Transfer  
CC Docket No. 00-257**

Dear Madam Secretary:

Pursuant to Section 64.1120 of the Commission's Rules, this letter provides notification of the transfer of certain Oklahoma and Texas local exchange subscribers of Sure-Tel to SBC Oklahoma and SBC Texas collectively ("SBC").

Sure-Tel was unable to continue providing its customers telecommunications service in the above-mentioned regions. To prevent disconnection of service for Sure-Tel customers, SBC began providing Sure-Tel customers local telephone service, for an interim period. SBC provided these customers notice that they must select an alternative provider of telecommunications service during this interim period or SBC will become their provider of choice. If no alternative provider is selected, the affected customers will become local exchange or local exchange and toll customers of SBC Texas and SBC Oklahoma on June 21, 2004 and June 28, 2004 respectively. SBC certifies that it has complied with the obligations specified in the notice and any other applicatory statutory and Commission requirements. Sample notification letters are attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "David Grant", written over the word "Sincerely,".

**NOTICE OF TRANSFER OF TELEPHONE SERVICE**

Name  
Address  
City, State Zip

Dear Name,

Until recently, Sure-Tel had been providing your local telephone service (dial tone) over the resold facilities of SBC Oklahoma (SBC). As you may be aware, Sure-Tel is no longer able to provide your local telephone service.

But for the terms of the agreement governing Sure-Tel's service to you, once Sure-Tel's account with SBC was disconnected, your local telephone service would have been disconnected, too. To prevent your service from being disconnected without notice to you, SBC began providing local telephone service to you on May 24, 2004 for a limited transition period. The last day of this limited transition period will be June 28, 2004.

**Important:** Sure-Tel SBC Oklahoma (SBC) have entered into agreements whereby SBC has acquired Sure-Tel's rights to provide your local telephone service should you not choose another local service provider by the June 28, 2004. This change does NOT affect long distance services you may currently be receiving from an interexchange carrier.

SBC records indicate that as of May 24, 2004, you have not yet selected another local telephone service provider. There is approximately one month before the limited transition period ends and your service will be transferred to SBC in accordance with applicable rules of the Federal Communications Commission ("FCC") and your state public utility commission.

You have a choice in selecting your telephone service provider.

**1. If You Select SBC Oklahoma for Local Phone Service by the Selection Date:** Please contact SBC Oklahoma at 1-866-877-1070 to make arrangements for local telephone service as soon as possible. SBC Oklahoma has attractive pricing programs and packages for local residential service that your SBC Oklahoma representative can discuss with you. SBC Oklahoma will provide you with the local phone services you request, and it will make local toll and long distance service available to you from the carrier of your choice. **SBC Oklahoma will not charge its customary new connection fee or any other change of carrier charges.**

**2. If You Do Nothing by the Selection Date:** If you have not transferred your service by the Selection Date (June 28, 2004), your local telephone service will be automatically transferred to SBC Oklahoma during the Transfer Period at no cost to you, and you will not experience any telephone service outage. In accordance with the applicable rules of the FCC and your state public utility commission, services will be provided to you as follows:

a. Local Phone Services – SBC Oklahoma will provide the same or equivalent local phone services as you were receiving with Sure-Tel at SBC Oklahoma' approved rate structure (see attached summary of SBC Oklahoma' service terms and conditions for more details). In addition, SBC Oklahoma will not charge its customary new connection fee or any other change of local carrier charges. SBC Oklahoma' rates, terms and conditions will be applicable on the date SBC Oklahoma becomes your service provider. SBC Oklahoma will contact you by mail or telephone to advise of any post-transfer changes.

b. Local Toll and Long Distance Services –

- 1) Local Toll from Sure-Tel Local Toll and Long Distance Customers – If you use Sure-Tel local toll but another carrier for long distance, then SBC will provide your local toll service at SBC's approved rate structure and you will continue to receive your long distance services from the same carrier.
- 2) Local Toll and Long Distance Customer of Another Carrier – If you use a long distance carrier for local and long distance services, you will receive the same service from the same carrier.

If you have a preferred carrier freeze that prevents unsolicited changes on your local phone, local toll, and/or long distance services, and have not contacted SBC Oklahoma or another provider by the Selection Date (June 28, 2004), *the freeze will be lifted and your services transferred according to this section.* You must contact SBC Oklahoma to arrange for the freeze protection to be reinstated after the transfer.

c. Service Adjustments – You may make adjustments and changes to your service from SBC Oklahoma at any time by calling service representatives (per your billing statement).

3) **If You Select Another Provider before the Selection Date:** You must make arrangements with that service provider to transfer your service on or before the Selection Date (June 28, 2004). Your selected carrier will determine the charges for the services you select.

Sure-Tel will no longer make any new changes to your telephone service, and Sure-Tel has full responsibility for handling any outstanding complaints or disputes that may exist between you and Sure-Tel or referring you to the appropriate carrier.

If you have any questions about SBC Oklahoma' telephone services or features, please contact SBC Oklahoma at 1-866-877-1070 or visit its web site at [www.sbc.com](http://www.sbc.com).

SBC Oklahoma looks forward to meeting your local communications needs. Please see attached terms and conditions.

If you have changed your local telephone service provider since May 24, 2004, please disregard this letter.

Sincerely,

April Mullins
